Description of the inquiry project (include a proposed timeline and where support will come from for specific activities.) e.g. *teachers meet to finalize inquiry questions Oct. 1. School PD day will provide teacher release. Or Project celebration at end of May. School to provide space in library and refreshments.*

Additional supporting information

Please include a letter of support from school principal for this project including a commitment for the principal that school based PD days will be used by inquiry members for the inquiry, not other PD activities.
